

The logo for TOPCITY Automotive Lighting. The word "TOPCITY" is in a bold, white, sans-serif font. The letter "O" is replaced by a stylized white icon of a car's headlight or lens. Below "TOPCITY" is the tagline "Automotive Lighting" in a smaller, white, italicized sans-serif font.

TOPCITY

Automotive Lighting

A nighttime photograph of a road winding through a dark landscape. The road is illuminated by a bright red light trail that curves through the scene. The background shows a dark, silhouetted mountain range under a dark sky with some light clouds. The overall mood is dramatic and futuristic.

For Your Safety Driving

With 17 years development by support of New and Old customers, Topcity Now is a leading manufacturer and supplier with self-factory specialized in research, development and production of automotive lighting. we combine technical innovations with a genuine concern for safety and driving comfort.

Our automotive lighting is today the choice of many consumers and major automobile manufacturers. Our mission is to introduce innovative products that constantly improve road safety and increase workshop productivity.

With Decades of manufacturing & export experience that you can count on us for high-quality led sereis products by Prompt delivery at competitive price and professional techniques.

We care for you!

Original Best quality

We are committed to producing best-in-class products and services in the Original Equipment Manufacturer (OEM) market and automotive aftermarket. Our products are manufactured from high-quality materials and tested

- Enquiries from global wholesalers, distributors, buyers, agents, and OEM/ODM are welcome. If you are interested in any item of topcity products, please feel free to contact us.

to the highest specifications to maximize safety and driving comfort of our customers.

- We are your reliable partner and welcome to visit topcity factory.

- Manufacturing processes that exceed current industry specifications

LET US TO THE WORK

Got Customer's Require---Product Needed Specifications--Finish PCB and 3D model Design---Finish Samples Test---Confirming with customer---Big Quantity Produce.

We do a easy,simple,happy ,win-win Business.

OUR PRODUCING WORKS

TOPCITY Have AutoMatic Machine for leds and electrical Parts,SMT ,We also have preofessional Producing Team!

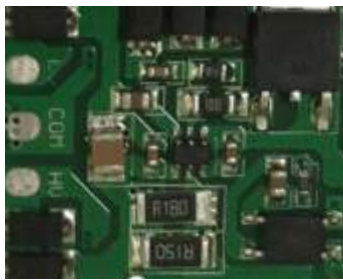

TOPCITY

Automotive Lighting

PROE PCB Design

Led Driver Design

3D Design

SMT Machine and Compose

Product Certification

Topcity Elec-tech Co.,Ltd.-Excellent executive ability.
Quality is the fundamental drive of
Topcity's development.
Innovation is the soul of Topcity's growth.
Passion lights the hope of the future.
Speed is the key to success.
We must seize the time, focus attention on work.
Efficiency is our genes to be better than others.
Profession creates value.
